Commercial offer

For Motherland! Pneumatic gallery

robingud.com

Product concept

Pneumatic gallery is created based on the World War II and dedicated to the 70th anniversary of the V day. Classic steel targets and automated work make the gallery a high profit business.

Your customers are children from the age of 6 and also the adults. All targets have electric drives. There are static and moving targets. The back wall is not deforming at all.

You can buy a gallery and install it in a park or at a mall and have regular income..

Gallery features

- For Motherland! Is a turn-key ready business.
- Motivation system is designed. The customer will return to your gallery to win super prize.
- You can sell pneumatics in your gallery. Place the goods in the window cases and have additional revenue.
- For Motherland! Gallery is designed as a construction kit. You can buy it and install it yourself using our manual and saving on the installation.
- Pneumatic gallery activity does not require licenses or permissions.
- We offer bullet delivery machine with a bill acceptor. Bullets are provided 4 times faster compared with manual way. Also, you will forget a bout dishonest employees forever.
